

The Bourns Identity: BCOE Q&A Live Chat Transcript

Question	Answer(s)
<p>Hi, how can we access the recording in case we want to see again?</p>	<p>The recordings will be posted to the event website in the same place you registered for this webinar: https://highlanderday.ucr.edu/</p>
<p>I was late for meeting because I had a class meeting. Therefore, I missed the first part of presentation, and I noticed that the meeting is being recording. How can I access the recording video after the meeting?</p>	<p>The recording for this session will be posted to the Highlander Day website (https://highlanderday.ucr.edu/) in the same place that you registered for this webinar.</p>
<p>Does it matter if I registered for Highlander Day or not?</p>	<p>No</p>

<p>Do you have GPA requirements for bioengineering undergraduate major?</p>	<p>For transfer admission? Please elaborate. We do have a minimum GPA requirement for students in good academic standing above a 2.0. For transfer, we evaluate above a 2.8 minimum.</p>
<p>What is the average class size for engineering classes?</p>	<p>80+ depends on the type of class. For technical electives, the class size will be less.</p>
<p>Is the summer bridge program only for engineering majors, or anyone in the College of Engineering?</p>	<p>This one is specific for engineering. I believe the College of Natural and Agricultural Sciences (CNAS) has a similar program. Not sure about the other colleges at UCR.</p>
<p>Is there research that transfer students can do along with the school year?</p>	<p>Professors are open to take students in throughout the year. It is more flexible this way, not as structured.</p>
<p>Applied Mathematics? Does it exist in UCR?</p>	<p>https://cnasstudent.ucr.edu/majors-cnas</p>

I heard about some of the organizations like Cyber@UCR through social media, but is there a website to learn more about it?
