

Question	Answer(s)
How do the financials work for the UCDC program and UC Sacramento Program?	Both programs are done during a college quarter (Fall, Winter, Spring, Summer). Therefore when you are doing these programs you are simply paying the normal tuition you would pay but would be attending the program during that term. UCDC has housing for students in DC and UCCS has apartments available for students to live in. They are both great programs.
Is it possible to be involved in multiple programs like the Roosevelt Network, and the Dean's Ambassadors Program?	Absolutely!
