

Q&A: Housing Info Session

Will Dundee be available for Transfer Family housing as well, or just regular transfers?

Oban is the only option for Family Housing.

What are the rates for Family Housing?

This information is coming up in the presentation

Did the housing increase this year? I saw \$1210 and now its \$1500?

\$1,500 is the rate for a single in the Residence Hall rather than an apartment rate.

Are students with children allowed to live in the campus apartments? Or are they limited to Oban only?

Only Oban.

When is the deadline to submit the housing application for transfer students?

The application is always open. Please apply to have the best option of receiving an offer.

Can my fiancée live with me in a campus apartment?

Only at Oban.

By when will we hear about our housing applications and where we got accepted?

We will make offers right up to move-in week in September. If we have space to offer you, you will receive an offer e-mail from a Contract Services Specialist. It is very important you watch your e-mail as this offer will have deadline.

For the dining plans if we choose to live in either Falkirk or Bannockburn, does it come with payments for the room or do we have to apply for a dining plan separately?

These contracts do not come with a Dining Plan. You may be able to purchase a separate plan from Dining Services, R'Blocks. Please visit dining.ucr.edu.

So if you'd prefer to not have a meal plan, but want to live at Glen Mor, the most ideal is the Glen Mor market?

Yes, this plan offers Dining Dollars only that can be used at the Market and on campus at the HUB.

To follow up with my transfer apartment question from earlier, does this mean I'm on the bottom of the waitlist? How is that fair considering I wasn't admitted until the end of April?

No. We have set aside apartments specifically to accommodate Transfer Admits.

Can we opt for the Glen Mor residential meal plan instead of the Highlander 150 or Unlimited plans?

Yes. The Dining Plan is your choice. Please visit dining.ucr.edu for more information on dining options.

What facilities are there for freshmen related to housing and dining services?

Our freshmen are eligible for Residence Halls only.

If we already submitted a campus apartment application when will we be notified if we got a room?

Once we reach your contract submission date and we still have space to offer, you will be sent an e-mail with a contract offer. Please reply promptly.

Is parking available for the apartment housing units?

Yes.

Are Bannockburn and Falkirk furnished apartments?

Please visit housing.ucr.edu.

How far away is the recreation center from Bannockburn, Falkirk, etc?

About a 3 minute walk.

Why all the Scottish influence?

You are now a Highlander!

I submitted a housing application and I listed having an emotional support animal within the accessibility needs question, can bringing my support animal be possible?

Please start your request with the SDRC (Students with Disabilities Resource Center) on campus. Once you register they will let you know about next steps on your accommodation request.

How do we know where we stand in the waitlist?

You can e-mail us at housinginfo@ucr.edu.

Best guess, how quickly do the cheaper dorm options get taken?

All residence halls have the same cost. The room rate difference is for different types not buildings. You will have the option to select your room in July.

If we decide to share an on campus apartment with another student, can we request a roommate in the application process?

Yes, please be sure they also request you on their application

What are some of the measures taken to increase safety for the students in the on campus apartments?

Please visit housing.ucr.edu.

I have an amount assigned to housing in my financial aid package and so if fall is online will my financial aid be re-estimated?

If you change from living on-campus to living at home, yes there would be a change to your award

Are there co-ed options, or are all housing options only one gender in each room?

We do have gender inclusive housing in Dundee

What's the cheapest dining plan you can get to live at Glen Mor?

Please visit dining.ucr.edu for options and housing.ucr.edu for the costs.

Does financial aid cover housing?

Yes. Please check your award to make sure it will be enough to cover your housing costs.

About how much is parking for the housing places? I noticed that there was a place where you didn't have to pay housing.

Please visit the transportation website. There is no free parking on campus.

Will North District be for incoming freshman, transfers, family housing, or a combination?

Phase one will be apartment style housing and has not been designated for a particular group yet.

Which apartment style housings come fully furnished?

Please visit housing.ucr.edu so you can look at all communities.

Where are housing applications located and what are the due dates?

Visit housing.ucr.edu for the portal to apply. This application is open all the time.

If we applied for financial aid and wanted to live on campus would the awards distribute in time to pay for the housing?

Probably not for your deposit but yes for your first monthly payments.

I applied for the residential halls. When do we usually find out and choose the rooms?

You will receive information on room selection in late June or early July.

Is the Guardian Scholarship Program still going?

If you are asking about Guardian Scholars, yes.

I'm still waiting on waitlists for some other schools, but should I still submit a housing application here or should I wait until I'm 100% sure I'm going to UCR?

This is a decision to be made by you and your family. Talk out your options. We encourage you to apply as soon as possible.

If I am a transfer at Dundee am I allowed to have a car?

Yes, but you will need a parking permit

Have you started the waitlist yet for North District?

No. We are still in the construction process.

If my parents have questions. Who can they contact?

Please e-mail us at housing.ucr.edu. We are highly impacted.

How would the monthly rent be? Would we pay monthly if we decide to get an apartment or would it be included in the tuition?

Housing is applied to your account as a monthly charge. It is not included in your tuition. Please visit housing.ucr.edu.

Is it true that it takes up to one year to get off the waitlist for on campus housing?

This could be the case as we have students living with us now and can only offer you the vacant spaces that we have now.
