

Q&A: LGBTQ+ Info Session

Hi, I want to know how to become a member for queer alliance?

You can just join the meetings and find more information on HighlanderLink.ucr.edu for all our student orgs.

Are clubs still connecting and possibly having meetings even during these times? Like on zoom?

Check out out.ucr.edu for all our active and current meeting times for orgs.

I may have missed this information, but do you have a resource for students who have experienced hate/discrimination on campus?

Here is the specific link -- https://ucsystems.ethicspointvp.com/custom/ucs_ccc/default.asp#

Do you have counselors on campus for LGBTQ+ people?

Yes.

Might have missed this information but where exactly on campus is this?

We are located at 245 Costo Hall.
