

 School of Business Q&A Live Chat Transcript	
Question	Answer(s)
By adding two more upper-division electives as concentration courses would that be a dual major?	Hi Steve, no it would not. Students can petition to do a double major with another major on campus.
I wanted to possibly do dual concentrations, how does that work?	Unfortunately, at UCR you cannot have a dual concentration in Business Administration. You can only pick one of the concentrations.
Is it possible to have two concentration, or should it only be one?	Hi Sara, Business students are only allowed to declare one concentration. What you can do is use your elective courses to explore other concentrations.

<p>Can we take courses that do not pertain to our major (accounting to marketing)?</p>	<p>Hi Austin, Yes. For example, if you are an accounting major, you may take marketing courses as your elective.</p>
<p>So no BAs, only BS?</p>	<p>Our degree is only a BS.</p>
<p>Can you talk about the new buildings?</p>	<p>Which specific building are you talking about? Here is a link to UCR's current renovation projects. https://pdc.ucr.edu/projects/active</p>
<p>Is it common to see students go into CSBA from business admin?</p>	<p>Do you mean a computer science degree?</p>

<p>What would be the difference between a BS and BA? A BS is something you continue right? A BA you can stop?</p>	<p>A BS is a bachelor of science degree that requires more credits and focuses more on the specific major. It emphasizes math and science. A BA (Bachelor of Arts) focuses on the arts. The curriculums are different, but ultimately I don't think employers will focus too much on that detail.</p>
<p>Is there a list of all of the 19 upper classes for each concentration?</p>	<p>Please take a look at this link: https://business.ucr.edu/sites/g/files/rcwecm2116/files/2020-03/2019-2020%20Upper%20Div%20Electives%20%28Purple%29.pdf</p>
<p>For marketing major, is there a course on social media marketing?</p>	<p>I have only taken a couple marketing courses. I don't believe there is a specific course dedicated to social media; however, the topic of social media is not lost on professors, and in my experience some do discuss it within their course material.</p>
<p>So the BS is better for business because we have more data to analyze?</p>	<p>BS is bachelor of science which involves more data and math. UCR only offers BS.</p>

<p>How many credits can be transferred from a community college?</p>	<p>We will accept up 105 quarter units from a community college.</p>
<p>is computer information system under business administration in UCR?</p>	<p>We only offer a information systems concentration. The college of engineering has specific computer science degrees.</p>
<p>Does the School of Business have senators for student government?</p>	<p>ASUCR is the cabinet of students on campus. There are also other areas of student leadership to get involved in as well. Like Transfer Mentors, Student Ambassadors, and the many student organizations who elect representatives as well! During my time at UCR, I have served as a Transfer Mentor and Vice President of one of the premier organizations on campus; it's a great way to develop leadership skills and get involved!</p>
<p>So, the information systems concentration is under business?</p>	<p>Correct.</p>

<p>is the fall transfer registration online or in person?</p>	<p>Students will always register online but we will will also conduct orientation online as well this year.</p>
<p>When does class registration begin?</p>	<p>New transfer students will register towards the end of August during orientation.</p>
<p>Are there any classes that are going to be in person this coming fall?</p>	<p>ucr.business.transfermentors@gmail.com Instagram: @ucr.business.transfermentors</p>
<p>Where is the mentor email?</p>	<p>Teresa just typed it in the chat along with our Instagram! Give us a follow and reach out to us, because we'd love to help and answer more of your questions!</p>

<p>What is the campus parking structure like and the parking situation. Also are how many libraries are there? What resources are there for tutoring?</p>	<p>You are required to purchase a parking permit to be able to park in the lots. Pre-COVID it was really packed during peak class hours around 10 a.m.–3 p.m. There are two libraries on campus: Orbach and Rivera. UCR does offer TAP (tutoring assistant program) Please google for more information.</p>
<p>If the classes are online, we still need to do the require vaccination?</p>	<p>Are you asking about your immunization record? To my knowledge, you must report and complete your immunization record, or you may have a hold and cannot register for classes.</p>
<p>Yes. I do not see it in the chat</p>	<p>ucr.business.transfermentors@gmail.com Instagram: @ucr.business.transfermentors</p>
<p>Which tab on the business website shows the courses for upper, elective, and core courses?</p>	<p>https://business.ucr.edu/undergraduate/advising#degree_plans_by_concentration</p>

For transfer students do we need to send high school transcripts?

Yes, please send your high school transcripts to UCR admission@ucr.edu.
