BLACK STUDENT EXPERIENCE
WE CAN’T WAIT TO MEET YOU.

When you attend UC Riverside, you attend a school where black students graduate at a rate higher than any other college in California (and any other group on campus). You attend the first UC with an office dedicated to black student support. You’re on a minority majority campus where more than half of the students are the first in their families to go to college and nearly half qualify as low income.

Doors open here. You can access leadership opportunities, conduct undergraduate research, ignite academic passions and make remarkable contributions right away. You’re at a school where students describe their administration as responsive, eager to listen and open to discourse.

Here, you’re part of the most talented, driven student body in the world — known for giving back and changing the world. We can’t wait to meet you and help you do just that.

“[Attending UCR is] the best decision I made when it came to academics.”
SAVANNAH RICHARDSON
Senior Transfer Student, Sociology

I wanted to be a part of a school that supported my academic journey. It’s the best decision I made when it came to academics. Being a part of the ORBITS (Obtain Resources, Become Informed, Target Success) community [for transfer students] through the Career Center was key to tailoring myself to the university experience, as well as [developing] tools to navigate the career field.

JOSIAH DAVIS
Junior, Cell Molecular Biology

As a black student at UCR, it feels like I belong. I feel part of the UCR community. I found people I could relate to socially and intellectually, as well as people who shared my goals and aspirations. When deciding what university to choose, after looking at the academics and programs to see if the school was right for me, I asked myself one final question, “Do I feel comfortable here as a black student?” The answer was, “Yes.”

“As a black student at UCR, it feels like I belong.”
UCR is “recognized nationally as one of the few public research universities with no racial disparity in graduation rates.”

LOS ANGELES TIMES, FEB. 28, 2017
A NATIONAL LEADER

At UCR, black students have closed the graduation gap. Black students at UCR graduate at a rate higher than white students. We’re proud to be a national leader for promoting black student success. Inspiring mentors, close community connections and supportive programs help our black scholars succeed.
“This is about a deeper ethos of respecting people of all stripes and giving everybody who has the interest, aptitude and energy the opportunity to come and study and learn.”

UC LEADS (University of California’s Leadership Excellence through Advanced DegreeS) is a two-year research program that allows me to conduct my first year of research at UCR and then my second year of research at any University of California campus of my choice. The benefits include GRE classes, networking with students from all over the world and the ability to be published in two prestigious institutions. So far I have conducted psychology research under [Psychology Professor] Carolyn Murray on the impact of discrimination within the healthcare field. The greatest benefits are the friends I have made and the strengthening of the relationship between me and my professor.
