**Innovative Research**

**Get the Competitive Edge with Undergraduate Research**

UCR offers research opportunities to all undergraduate students! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current CHASS research includes:

- Exploring the “double coming-out” experience for queer-undocumented immigrants
- Examining eye gazing patterns in children who face anxiety
- Awakening the “sleeping” language of a Native American tribe — thanks to a $150,000 grant from the National Science Foundation (NSF)

**We’ll Help Your Dreams Come True**

**NALO HOPKINSON**
Professor of Creative Writing
Won a Comic-Con Inkpot Award for her contributions to science fiction, including creating “House of Whispers,” part of Neil Gaiman’s “The Sandman Universe.”

**JOHN JENNINGS**
Professor of Media and Cultural Studies
Won an Eisner Award for his co-creation of “Kindred,” a graphic novel adaptation of Octavia E. Butler's work. As part of duo Black Kirby, he has created art on the evolution of Luke Cage and is poised to run comic imprint “Megascope,” by and about people of color.

Success Programs

Every program is designed to help you succeed from the moment you step on campus, to the day you graduate.

**Learning Community**
(Mandatory for freshman students)
CHASS FIRST’s Learning Communities guarantee courses and credit. Enrollment is automatic depending on your major. All learning community programs include a 2-unit workshop led by peer educators.

**Fall Transitions**
(Fall quarter program for all majors, except Undeclared and Pre-Business)
Enjoy major-specific learning communities to gain exposure to your major early on. Access highly desirable, large-lecture courses, such as psychology, economics, art and more. Discuss material in small groups.

**CHASS Connect**
(A yearlong program for all majors, except undeclared and pre-business)
Boost academic success and social enrichment in this national award-winning program. This themed learning community provides students with an interdisciplinary education by examining a theme through different disciplines. Engage with faculty, teaching assistants and peer educators.

**Pre-Business PATH**
(A yearlong program for pre-business majors)
Establish a network with business-oriented classmates. Develop necessary skills to be successful in business and maintain progress to apply to the School of Business.

**Exploratory Scholars**
(For Undeclared majors)
Explore a variety of disciplines with courses in media & cultural studies, anthropology, ethnic studies and so much more. Includes workshops led by the Undeclared Academic Advisor. Identify a major of interest, learn about career options and find out what requirements are needed for graduation.

**Undergraduate Research**
Putting Research in Your Hands
Explore an extraordinary range of research opportunities from labs and field work, to translations and economic policy. Each CHASS department will help you find the right fit for your academic and professional goals!

**Transfers F1RST Program**
(For incoming transfer students)
Find a sense of belonging with this student-led program. Attend workshops and participate in the Transfer Mentorship Program.

HASS 001 Course: Step-by-Step to College Success
(For incoming transfer students)
Take a 2-unit fall lecture course taught by faculty. Discussion sections led by peer educators (current transfer students). Topics are specific to the needs of transfer students, including:
- Third- and fourth-year academic plans
- Student success skills (critical thinking, study, writing and communication)
- Undergraduate research opportunities
- Internships and study abroad opportunities
- How becoming a campus leader applies to real life
- Graduate school preparation
- Career-planning resources and services

**CHASS Undeclared Program**

Student Spotlight

ALONDRA MARQUEZ CARTER (Sociology and French)
“...being a CHASS student is understanding how beautifully all of its disciplines overlap ... CHASS causes its students to acquire a holistic understanding of human matters, creating well-rounded scholars with a solid foundation to tackle myriad individual or societal issues...”

SUHKHEEN KAUR KAHLON (Political Science, and Law and Society)
“...being a CHASS student means constantly rethinking the structures and systems we have always considered normal. My dream is to be an attorney who uplifts the community, advocates for the marginalized and works to dismantle oppressive institutions.”

JUSTIN DOMECILLO (English)
“Before CHASS, I wasn’t able to discuss, research, or write about queer topics that I loved, but here I’ve been given resources and opportunities to contribute my own voice in academia and to join conversations that have been otherwise silencing.”

DARIA KUDRYAVTSEVA (Economics)
“(UCR) is more than just a learning experience. Here, you can become a true scholar, a passionate thinker engaged in the world of like-minded people. Acknowledge your potential and give yourself a chance to have a journey worth being proud of.”
