I enjoy how many research opportunities there are here at UCR. It was relatively easy for me to become a researcher on campus. I did it for a class unit and it was really helpful for me toward my career path!

How to Get into Your Major
Students who complete the following are admitted to UCR:

Breadth Requirements – You are strongly encouraged to focus on preparatory coursework (mathematics, science and technical work) for your desired major rather than completing the Intersegmental General Education Transfer Curriculum (IGETC). However, CNAS does accept completion of IGETC as satisfying the majority of breadth requirements.

Prerequisites – Use ASSIST.org to view the prerequisites needed for your intended major (and to make sure your classes will transfer).

Minimum GPA – Strive to surpass the 2.7 minimum GPA.

Transition to UCR with the Transfer Success Zone
Study, take part in student success seminars and get involved with social mixers at the Transfer Success Zone, located in the Academic Resource Center (ARC).

Summer Sessions
Stay on track — or get ahead — to finish your degree in four years! You’ll also enjoy smaller class sizes and more interactions with faculty. Summer financial aid available. summer.ucr.edu

Take a Tour
Schedule a student-guided walking tour or take a virtual tour of labs, studios and popular hangouts.
