Submit Official Academic Documents
Official, final high school and college transcripts are due July 1.
Official test scores are due by July 15, AP (Advanced Placement), IB (International Baccalaureate), and TOEFL or IELTS and Duolingo.

Take the Mathematics Advisory Exam (MAE) by July 15 (If Needed)
If your major requires at least one course in mathematics, you should take the MAE for appropriate placement. The colleges below require one course in math. This includes:

- All majors in the Marlan and Rosemary Bourns College of Engineering (BCOE) and in the College of Natural and Agricultural Sciences (CNAS).
- The following majors/programs in the College of Humanities, Arts and Social Sciences (CHASS) require at least one course in Mathematics, and students in these majors must take the Mathematics Advisory Exam (MAE): Pre-Business, Psychology, Neuroscience, Liberal Studies, Economics, Economics with Administrative Studies, Economics with Law and Society, Business Economics, Political Science with Administrative Studies, Sociology with Administrative Studies, History with Administrative Studies, Art History with Administrative Studies, and Psychology with Law and Society.

EXEMPTIONS: You don’t have to take the exam if you have:
- A score of 3, 4, or 5 on either the AB or BC Advanced Placement (AP) Calculus Exam.
- A score of 2 on the AB Advanced Placement (AP) Calculus Exam will clear a student for enrollment into Math 5 (pre-calculus). No course credit is awarded for the score. It’s recommended that students with this score still take the MAE to see if they might place higher.
  - Make sure Undergraduate Admissions has received your AP scores.
  - Go to the “Math Classes at UCR” tab at arc.ucr.edu/mae to see what course your score places you into.
- A UC transferable college course at the Pre-Calculus Level (Math 5 at UCR) or higher from an accredited institution.
- A score of 5 or higher on the International Baccalaureate (IB) Higher Level Math Exam.

If you do not have one (1) of the above, then you MUST take the MAE by July 15. Learn more at arc.ucr.edu/mae.

Submit the Statement of Legal Residence (SLR)
Once you’ve submitted your SIR to UCR, you are required to submit Statement of Legal Residence (SLR) by Aug. 1. Visit MyUCR.EDU to access the SLR. To learn more, visit registrar.ucr.edu and select “Tuition and Fees.” Then select “Residency for Tuition Purposes.”

Upload Your R’Card Photo
The UCR ID Card (R’Card) is your multi-functional campus identification card. To get your R’Card, upload a selfie at myphoto.ucr.edu, submit proof of identity, and pick up your card at the Highlander Service Station on campus.

Complete Submitting Immunization Records
Finish completing all mandatory non-compliant immunization and TB screening/clearance items. Class registration will be held if all requirements are not completely compliant by first day of fall quarter.

To avoid a hold, make sure you respond quickly to any secure messages you receive from the immunization mandate staff in your patient portal at chconline.ucr.edu. More information and helpful video tutorials can be found at studenthealth.ucr.edu/immunization.
