Graduate School of Education (GSOE)

Get the Competitive Edge with Undergraduate Research
UCR offers research opportunities to all undergraduate students! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current GSOE research includes:

- Maximizing educational outcomes for traditionally marginalized communities
- Exploring the family context of youth with developmental disabilities or autism
- Creating new ways to teach academic words to those with “below grade level” reading skills — thanks to $1.4 million grant from the Institute of Education Sciences!

Innovative Research

Inspire the Next Generation
Make meaningful connections as a teacher. Develop policies to solve pressing education challenges as a public policy analyst. Boost team performance with cutting-edge strategies as a corporate trainer. And so much more. GSOE’s Undergraduate Program — taught by world-renowned faculty — will help you inspire the next generation!

Based on national averages. Higher earning potential with advanced degrees. (PayScale.com, College Salary Report, 2019)

High-Profile Companies Hire GSOE Graduates
GSOE graduates go on to become classroom teachers, administrators, legal and medical specialists, and nationally recognized experts in autism and learning disability research.

2 GSOE Concentrations
Choose a concentration for your major:

- Community Leadership, Policy, and Social Justice
- Learning and Behavioral Studies

WORLD-CLASS FACULTY
Includes three Spencer and two Ford Fellows, as well as renowned experts in autism and learning disability research.

66TH among the best graduate education programs in the United States. (U.S. News & World Report, 2020)
We’ll Help Your Dreams Come True

RAQUEL RALL
Assistant Professor of Higher Education
Focuses on leadership and governance of higher education, and equity. Strives to identify best practices to increase access to and success in higher education for traditionally marginalized communities, and on bridging research and practice.

MARSHA ING
Associate Professor of Educational Psychology
Focuses on measuring mathematics and science teaching, and learning. Interested in applying quantitative methods to understand the mechanisms that influence STEM (science, technology, engineering and mathematics) student outcomes.

Undergraduate Program

The Education, Society, and Human Development Major
Gain real-world experience as you explore issues, policies and practices of education and research. Undergraduates must complete:

- 48 course units
- 40 hours of fieldwork, class observations, service learning and/or research in a community or educational setting

RA
TR

Education Minor
(All majors welcome)
Boost your marketability. Learn how to effectively relay information to and work with diverse populations.

RA
TR

Information Sessions Available
If you’re interested in the GSOE major or minor, make an appointment to meet with an academic advisor.

Success Programs

Every program is designed to help you succeed from the moment you step on campus, to the day you graduate.

Academic Resource Center (ARC)
Maximize student success with peer/staff mentoring, tutoring and graduate school preparation. Improves leadership, time management, public speaking and study skills.

RA
TR

First-Year Mentor Program
Register and be paired with a trained peer mentor. Get help navigating student life and accessing campus resources.

RA
TR

GSOE First-Year Student Seminars
Peer mentoring, career development, community building and academic/professional workshops.

RA
TR
