You have big plans for your future. You want to make an impact.

UC Riverside can help you get there.
You’re ready to take the next step to achieve your dreams. UCR is ready to support you on your journey.

With more than 80 majors, award-winning faculty (including two Nobel Laureates!), undergraduate research opportunities, generous financial aid, hands-on internships and transfer-specific resources, you can hit the ground running here!

Experience a world-class education that will open up a whole new world of possibilities for your future. Experience UCR.
Welcome to UC

Your Highlander Home

- UCR is located in Riverside, California, a midsized city just an hour from Los Angeles, Disneyland and legendary beaches.

- Our beautiful 1,200-acre campus is fully contained with academic buildings, housing, dining, shopping, banking, medical services and state-of-the-art recreation facilities.

- Nearly 24,000 students make up our friendly, inclusive and diverse campus community.

- UCR offers significant research opportunities to undergraduates.

- Transfer students benefit from many transfer-specific resources and support programs.
RIVERSIDE!
HERBERT PHAN

YEAR AT UCR // Class of 2019  
MAJOR // Business Marketing  
TRANSFERRED FROM // Riverside City College  

Motivated to Succeed
Coming to UCR from a community college is frightening at first, but I came here with the intent to better myself. The moment I chose to apply myself and take action was when I saw myself starting to grow with the campus.

Confidence and Accomplishment
One of my proudest moments was when I realized that I was surrounded by like-minded individuals. Being around these people helped me accomplish things I could not imagine doing before, such as becoming a director for the Associated Students Program Board (ASPB). Now I am confident that I am capable of achieving more.

SHANIAH PEREIDA

YEAR AT UCR // Class of 2019  
MAJOR // Microbiology  
TRANSFERRED FROM // Crafton Hills College  

Support Network
My main resource that I took advantage of was the STEM Connections program. It was honestly the best thing I could’ve been involved with because I was in a supportive community of science transfer students. This program taught me to be OK with success and failure and, most importantly, to be confident in not only my academic career but in my everyday life.

Hands-on Experience
I have been involved in two labs working on Phytophthora species and was able to present that research at state and national levels.
Experience the friendly, positive community here. Get involved to be part of it all!

- Have fun and make friends! UCR offers incredible social opportunities with concerts, music festivals, fun fairs, cultural celebrations, guest speakers, film screenings, theater productions, poets, performers and more than 450 student organizations.

- Your wellness matters here. That’s why we offer 24/7 counseling services, a Student Health Center and an amazing Student Recreation Center with a huge swimming pool, weight and cardio areas, fitness classes, basketball and tennis courts, intramural sports, an indoor track, and even a rock climbing wall and bouldering area.

- Go on a day or overnight adventure with Outdoor Excursions — kayak, hike, climb, snorkel and more.

- Highlanders care about each other and our community. There are many opportunities to serve, including peer mentoring, the R’Pantry emergency food bank, student service organizations and more.
Live It Up!
Live on Campus or Commute.

Whether you’ll be living on campus or commuting, we have transfer-specific options for you!

**Housing**
Live on campus to immerse yourself in the college experience, network with peers and surround yourself with extra support to boost your success.

**Transfer Student Housing:** Transfer students can live in one of UCR’s campus apartments — Bannockburn Village, Falkirk, Glen Mor (pictured), International Village, The Plaza or Stonehaven. Each features different floor plan options, from suites with shared bath and kitchen to apartments with two bedrooms and two bathrooms. Residents enjoy amenities like study lounges, game rooms, basketball courts and swimming pools.

**Family Housing:** We offer family housing adjacent to campus so you can keep your commitments to your family and your education.

Learn more: [housing.ucr.edu](http://housing.ucr.edu)

**Commuting**
If you commute to UCR, we offer many ways to keep you connected, including a New Student Commuter Welcome, social events, informational workshops on
alternative transportation and online resources.

Get notified of current commuter events by liking @commuterprogramsatucr on Facebook.

**Dining**

From Residential Restaurants to numerous campus dining options, food trucks, convenience stores and markets, take your pick from a variety of quality cuisines and menus at UCR. Whether you want a quick grab-and-go snack, a hot lunch or a hearty sit-down dinner, you have plenty of dining options here on campus — plus even more a just short walk away.

Learn more: dining.ucr.edu
Highly Ranked and Respected.

UCR is noticed across the country and around the world.
UCR is America’s fastest-rising ranked university. (U.S. News & World Report, 2019)

UCR is ranked among the nation’s top 12 public universities. (Forbes, 2019)

UC Riverside is the 12th Best College for Your Money. (Money Magazine, 2019)

UCR is ranked the 35th best public university in the United States (U.S. News & World Report, 2019)

UCR enrolls more students who receive Pell Grants than the entire Ivy League combined.

UCR’s distinguished faculty boasts two Nobel Laureates and 14 members of the National Academies of Sciences, Engineering and Medicine.
In Your Corner

UCR is dedicated to your success, and offers a range of supportive programs and resources to help you follow your heart. Get guidance from faculty and student mentors. Excel in your courses with the help of a tutor or study group. Connect with a wellness department to take care of your physical, mental and emotional health. Develop as a leader in a campus organization.

Ethnic & Gender Programs
Helping you celebrate who you are, where you come from and where you’re going.

Just for Transfer Students

Your education journey is unique. So are the opportunities available to you at UCR.

You know what you want to achieve in school, in your career and beyond. UCR offers transfer-specific resources that will help you make it all happen.

- **Housing for transfer students** is available in our campus apartments. Live on campus to enjoy amenities including lounges and pools, connect with other transfer students, and take advantage of specific programs and support services addressing transfer needs.

- **Commuter programs** to keep you connected if you don’t live on campus.

- **A first-year mentor program** with a peer mentor during your first year to help you transition to UCR, be successful and feel at home.

- **Transfer student organizations** are among the 450+ at UCR, including the Transfer Student Association, Tau Sigma National Honor Society, Puente Connection, Umoja at UCR and STEM Connections Club.

- **Transfer-specific orientations** to help you transition with ease so you know the people, places and spaces on campus that will help you succeed.

- **Mentor and outreach programs** from our colleges and schools.

- **Academic advisers** trained on transfer-specific needs that help you plan a personalized course schedule to graduate on your time frame.

- **Internship and job search advising** from the Career Center.

- The **Transfer & Commuter Student Lounge**, where you can meet other transfer students, eat lunch, study or just hang out between classes.
UCR Undergraduate Majors

Marlan and Rosemary Bourns
College of Engineering

- Bioengineering T
- Chemical Engineering T
- Computer Engineering T
- Computer Science and Engineering M T
- Computer Science and Business Applications T
- Electrical Engineering T
- Environmental Engineering T
- Materials Science and Engineering T
- Mechanical Engineering T

Combined B.S. plus M.S. five-year programs are offered in Bioengineering, Chemical Engineering, Computer Engineering, Computer Science, Electrical Engineering, Environmental Engineering and Mechanical Engineering. A combined B.S. Computer Engineering plus M.S. Computer Science five-year program is also offered.

College of Humanities, Arts, and Social Sciences

Combined B.S. plus M.S. five-year program is offered in Entomology.

Graduate School of Education

- Education, Society, and Human Development T

You can specialize in the following areas:
  - Community Leadership, Policy, and Social Justice
  - Learning and Behavioral Studies
  - Student-Designed Comparative Concentration

School of Business

- Business Administration M T

You can specialize in one of the following areas:
  - Accounting and Auditing
  - Business Analytics
  - Finance
  - Information Systems
  - Management
  - Marketing
  - Operations and Supply Chain Management

Students are admitted to the Business Administration major after successful completion of a series of prerequisites with the minimum required GPA.

Freshman applicants should apply as Pre-Business in the College of Humanities, Arts, and Social Sciences; transfer applicants should apply as Business Administration in the School of Business.

School of Public Policy

- Public Policy M T

You can major or minor in two of six specialized tracks:
  - Economic Policy
  - Health/Population Policy
  - International/Foreign Policy
  - Policy Institutions and Processes
  - Social/Cultural/Family Policy
  - Urban/Environmental Policy

Additional Minors

In addition to the minors listed with their corresponding major, the following minors are also available:

- Applied Statistics
- Global Climate Change
- Journalism
- Labor Studies
- Law and Society
- Lesbian, Gay, Bisexual, Intersex, and Transgender Studies
- Marxist Studies
- Peace and Conflict
- Science Fiction and Technoculture Studies
- Southeast Asian Studies
- Urban Studies
- Western American Studies

M = Academic minors are also available for these majors.
T = Transfer Selecting major.
If applying as a transfer student, specific pre-requisite courses must be completed.

Explore majors and minors at UCR: go.ucr.edu/TransferUCR
You are considered a transfer applicant if you registered at a college or university for a regular session (besides the summer after graduation) after completing high school. You may not disregard your college record and apply as a freshman. UCR accepts junior-level transfers and will give priority consideration to those from California Community Colleges.

1.) UC ADMISSION MINIMUM REQUIREMENTS

- You must complete 60 semester (90 quarter) units of transferable college credit with a minimum GPA of 2.4 (California residents) or 2.8 (nonresidents).
- You must complete, with grades C or better, by the end of spring term prior to transfer:
  - Two courses in English Composition
  - One course in Mathematical Concepts and Quantitative Reasoning
  - Four courses selected from at least two of the following subject areas: Arts and Humanities, Social and Behavioral Sciences, Physical and Biological Sciences
- Each course must be transferable and worth at least 3 semester (4–5 quarter) units.

2.) TAKE COLLEGE BREADTH (GENERAL EDUCATION) COURSES

Although not required for admission, completing general education or Intersegmental General Education Transfer Curriculum (IGETC) requirements before transferring, gives you more freedom in selecting courses when you enroll at UCR and helps them complete your degree on time.

Visit ASSIST.org for specific articulation (course equivalency, breadth and major requirement satisfaction) information.

3.) SATISFY SELECTION CRITERIA FOR YOUR INTENDED MAJOR

Marlan and Rosemary Boums College of Engineering (BCOE)

Students are selected on the basis of academic preparation. Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.8 and completion of required major preparatory coursework by the end of the spring term prior to transfer. College breadth courses are recommended, which can be found on ASSIST.org. IGETC is accepted.

College of Humanities, Arts, and Social Sciences (CHASS)

Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.4 and completion of required major preparatory coursework by the end of the spring term prior to transfer. Psychology and Neuroscience applicants must have a minimum 2.7 in all transferable college coursework. Art (Studio) applicants will be required to submit a portfolio for review. Please visit ASSIST.org for breadth requirements. IGETC is recommended.

College of Natural and Agricultural Sciences (CNAS)

Students are selected primarily on the basis of academic preparation, as assessed by their GPA in academic coursework and strength of preparation for the intended major. Admission is selective based on GPA in all transferable coursework with a minimum GPA of 2.7. One year of Calculus is required, along with additional Science and/or Math lower-division major preparation, as indicated in the articulation agreements on ASSIST.org. IGETC is accepted.

Graduate School of Education (GSOE)

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or the UCR breadth pattern for GSOE, which can be found at ASSIST.org.

School of Business

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.7. Applicants must complete all breadth requirements (or IGETC) and the seven published major prerequisites. Please visit ASSIST.org for requirements. IGETC is highly recommended.

School of Public Policy (SPP)

Admission is selective based on the GPA in all transferable coursework with a minimum GPA of 2.4. Applicants can complete IGETC or the UCR breadth pattern for SPP, which can be found at ASSIST.org.

THE GPA FOR ALL COLLEGES/MAJORS IS A BASELINE AND NOT A GUARANTEE OF ADMISSION.

Visit ASSIST.org for information on specific transfer course agreements between California Community Colleges and UCR.

UC TRANSFER ADMISSIONS PLANNER (TAP): You can use the TAP to enter your course work (completed and planned) from the very beginning of your college careers or at any point when you decide to transfer to a UC campus. The planner helps you track your progress toward meeting UC’s minimum requirements and allows UC staff to communicate important information to prospective transfer students.

BEGIN YOUR TAP:
go.ucr.edu/TransferUCR

TRANSFER ADMISSION GUARANTEE (TAG): Secure your spot at UCR by meeting certain course and GPA requirements at your California Community College with TAG.
go.ucr.edu/TAG

Non-Resident Tuition and Fees:
$45,381 Undergraduates ($15,627 Tuition and Fees + $29,754 Non-Resident Supplemental Tuition)

Estimated SHIP
(Student Health Insurance Plan) = $1,774

Fees including SHIP = $15,627;
fees if SHIP is waived = $13,853

¹ Tuition, fees and charges are estimates based on currently approved amounts. These figures may not be final. Actual tuition, fees and charges are subject to change by the Regents of the University of California and could be affected by State funding reductions. Accordingly, final approved levels (and a student’s final balance due) may differ from the amounts shown.

² The University of California Student Health Insurance Plan (UCSHIP) supplements the outpatient care available to all registered students through the Campus Health Center. Students are automatically enrolled in the UCHIP and therefore charged an associated health insurance fee; however, students who can prove comparable or better coverage from another source may apply for an exemption from the UCHIP and have the associated health insurance fee waived. This health insurance fee is non-refundable after the first day of instruction. For more information on UCHIP and the associated health insurance fee, to include the waiver process, please visit go.ucr.edu/ship.

³ You can also view local housing cost information on the UCR Off-Campus Housing webpage. Keep in mind local averages are not used to determine student budget costs.

Apply Early for Financial Aid – A World Class Education is Within Reach!
UCR distributed more than $417 million in grant, loan, work-study and scholarship aid to undergraduate students during the 2018–19 academic year. Complete the Free Application for Federal Student Aid (FAFSA) online by the priority filing deadline of March 2 for the best chance of getting the assistance you need. fafsa.ed.gov

Financial Aid for Dream Act Students
At UCR, we are committed to keeping undocumented students and their families aware of all available resources. For the sake of securing financial aid, all undocumented students should apply for the California Dream Act by March 2, and visit UCR’s financial aid website at financialaid.ucr.edu for additional document deadlines. You should also apply for scholarships to help with expenses not covered by the CA DREAM Act. You never know. You may receive more aid than you thought possible!

Non-Resident Achievement Scholarship
Admitted out-of-state freshman and transfer students are automatically considered for the Non-Resident Achievement Scholarship, and can receive up to $4,500 per quarter toward their UCR education. go.ucr.edu/NRScholarship

Middle Class Scholarship
The Middle Class Scholarship (MCS) program provides funding to help California-resident, middle-class students attend the University of California. If your family’s income and household assets are under $171,000 per year and you qualify for this scholarship, you will be provided with scholarships that help cover up to 40 percent of UC’s systemwide tuition and fees. csac.ca.gov/middle-class-scholarship

Blue + Gold
Undergraduate California residents whose family income is less than $80,000 per year may be eligible to receive grants and scholarships to cover the full amount of system-wide fees. universityofcalifornia.edu/blueandgold
