COVID-19 Close Contact
Students & Employees

FOR CLOSE CONTACTS OF SOMEONE WHO TESTED POSITIVE FOR COVID-19
TEST IMMEDIATELY!
You may need to quarantine for 10 days, Depending on your vaccination status.

I’m fully vaccinated (boosted or not yet booster eligible)

No quarantine required
1. Take a COVID-19 test on Day 5. If positive, report to the Daily Wellness Check and follow instructions from Human Resources.
2. Wear a well-fitting, high-level face mask around others through Day 10

I’m unvaccinated OR booster eligible, but not boosted

Quarantine for a full 5 days

Take a COVID-19 test after 5 full days (or later)

Positive test result (or choose not to test)
You may end quarantine after 10 full days
1. Wear a well-fitting, high-level face mask around others through Day 10
2. Practice 6-foot social distancing

Negative test result & you are symptom free
You may end quarantine on Day 6
1. Report test results to the Daily Wellness Check
2. Wear a well-fitting, high-level face mask around others through Day 10

Follow all guidance provided by Human Resources

Sample Timeline for Understanding Quarantine
- **Monday (Day 0)**
  You were in close contact with someone with COVID-19 and you’re unvaccinated or booster-eligible, but not yet boosted.
- **Tuesday - Friday (Days 1 – 4)**
  You have no symptoms or fever
- **Saturday (Day 5)**
  You take a COVID-19 rapid antigen test and it’s negative
- **Sunday (Day 6)**
  You can end quarantine, but must wear a face mask around others through Thursday (Day 10)

Follow these instructions while staying home in quarantine
- Stay in your home
- Don’t go to work or school
- Don’t go to the grocery store or run other errands (e.g. pharmacy) unless it’s absolutely necessary
- Don’t have visitors during quarantine
- Don’t share food, drinks, or eating utensils
- Wash your hands often, especially after coughing, sneezing, going to the bathroom, blowing your nose, etc.
- Cover your mouth/nose when coughing or sneezing
