MEDICAL EXEMPTION AND/OR DISABILITY EXCEPTION REQUEST FORM
Exception to SARS-CoV-2 (COVID-19) Vaccination Requirement

EMPLOYEE OR STUDENT NAME/EMAIL	EMPLOYEE OR STUDENT ID
JOB TITLE (IF APPLICABLE)	LOCATION
DEPARTMENT	SUPERVISOR (IF APPLICABLE)
PHONE NUMBER	EMAIL

This form should be used by University employees and students to request an Exception to the COVID-19 vaccination requirement in the University’s [SARS-CoV-2 Vaccination Program Policy](#). Fill out Part A to request a Medical Exemption due to Contraindication or Precaution. Fill out Part B to request a Medical Exemption due to COVID-19 diagnosis or treatment within the last 90 days. Fill out Part C to request an Exception based on Disability. More than one section may be completed if applicable.

Your request may need to be supported by a health care provider’s certification. Some local (city/county) public health departments have issued orders specifying that the certification must be signed by a physician, nurse practitioner, or other licensed medical professional practicing under the license of a physician.

Important: Do not identify any diagnosis, disability, or other medical information (other than COVID-19 diagnosis in Part B). That information is not required to process your request.

Part A: Request for Medical Exemption Due to Contraindication or Precaution

- The Contraindications or Precautions to COVID-19 vaccination recognized by the CDC or by the vaccines’ manufacturers apply to me with respect to all available COVID-19 vaccines. For that reason, I am requesting an Exception to the COVID-19 vaccination requirement based on Medical Exemption. My request is supported by the attached certification from my health care provider.

Part B: Request for Temporary Medical Exemption Due to COVID-19 Diagnosis or Treatment

Check all that apply:

- I have been diagnosed with COVID-19 within the last 90 days. For that reason, I am requesting a temporary Exception to the COVID-19 vaccination requirement based on Medical Exemption. Health care workers subject to the California Department of Public Health’s Health Care Worker Vaccine Requirement (“[CDPH order](#)”) must have previously received the primary vaccination series to be eligible for this temporary Exception. I have previously received the primary***

confirmed laboratory results or certification from my health care provider.

- I have been treated for COVID-19 within the last 90 days. For that reason, I am requesting a temporary Exception to the COVID-19 vaccination requirement based on Medical Exemption. Health care workers subject to the [CDPH order](#) are not eligible for this temporary Exception. My request is supported by the attached certification from my health care provider.

Part C: Request for Exception Based on Disability

- I have a Disability and am requesting an Exception to the COVID-19 vaccination requirement as a Disability accommodation. Health care workers subject to the California Department of Public Health’s Health Care Worker Vaccine Requirement (“[CDPH order](#)”) are not eligible for this Exception. My request is supported by the attached certification from my health care provider.

Please provide any additional information that you think may be helpful in processing your request. ***Do not identify your diagnosis, disability, or other medical information.***

While my request is pending and if it is approved, I understand that I must comply with the Location’s Non-Pharmaceutical Intervention requirements (e.g., face coverings, regular asymptomatic testing) for unvaccinated or not fully vaccinated individuals as a condition of my Physical Presence at any University Location/Facility or Program. I also understand that I must comply with any additional Non-Pharmaceutical Interventions applicable to my position, as required by my Location. I verify the truth and accuracy of the statements in this request form.

CERTIFICATION FROM HEALTH CARE PROVIDER

The University of California requires that its employees and students be vaccinated against COVID-19 infection as a condition of accessing any University location, facility, or program in person. The University may grant Exceptions to this requirement based on (a) Medical Exemption due to a Contraindication or Precaution to COVID-19 vaccination recognized by the U.S. Centers for Disease Control and Prevention (CDC) or by the vaccines' manufacturers; (b) Medical Exemption due to COVID-19 diagnosis or treatment within the last 90 days; or (c) Disability. In most circumstances, the individual's request for such an Exception must be supported by a certification from their qualified licensed health care provider.

Please note the following from the Genetic Information Nondiscrimination Act of 2008 (GINA), which applies to all University employees:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Please complete Part A of this form if one or more of the Contraindications or Precautions to COVID-19 vaccination recognized by the CDC or the vaccines' manufacturers apply to this patient. Please complete Part B if this patient has been diagnosed with or treated for COVID-19 within the last 90 days. Please complete Part C if this patient has a Disability, as defined below, that makes COVID-19 vaccination inadvisable in your professional opinion. More than one section may be completed if applicable to this patient. Important: Do not identify the patient's diagnosis, disability, or other medical information (other than COVID-19 diagnosis in Part B) as this document will be returned to the University.
