

FEDERAL DIRECT PARENT PLUS LOAN INFORMATION FOR PARENTS

OVERVIEW

The Federal Direct Parent PLUS Loan is available to the [eligible parent\(s\)](#) of dependent undergraduate students to help pay for educational expenses not covered by other financial aid. Eligibility is not based on financial need, but a credit check is required. If you have any [adverse credit](#) history, you may still be able to receive the loan if you [meet additional requirements](#). If you choose to borrow:

- You will be required to submit a Federal Direct Parent PLUS Loan Application online.
- You will be required to submit a Federal Direct Parent PLUS Loan Master Promissory Note (MPN).
- The maximum amount you may borrow is the student's full cost of attendance minus any other financial aid received.
- The U.S. Department of Education is your lender.
- Interest rates change every July 1st. For Federal Direct Parent PLUS Loans first disbursed on or after July 1, 2024, and before July 1, 2025, the interest rate is 9.08%. This is a fixed interest rate for the life of the loan.
- If you request a deferment, you will not need to make [payments](#) while your child is enrolled at least half-time and for an additional six months after your child graduates, leaves school, or drops below half-time enrollment. If you do not request a deferment, you will be expected to begin making payments after the loan is fully disbursed (paid out).
- The [loan fee](#) is a percentage of the loan amount and is proportionately deducted from each loan disbursement. Loans first disbursed on or after October 1, 2020, and before October 1, 2025, is 4.228%.
- You choose your [repayment plan](#). Determine the repayment plan best for you by using the [Loan Simulator](#).
- You can track your borrowing, get contact information about your loan servicer(s) and make payments [online](#).
- At any time prior to disbursement, or within 14 days of your notification of your right to cancel, you may cancel all or part of your loan.

FEDERAL DIRECT PARENT PLUS LOAN APPLICATION TIPS FOR PARENTS

1. Log into StudentAid.gov using **your** own FSA ID, not your dependent student's FSA ID.
2. Choose the correct *Award Year*.
3. Authorize the school to use Federal Direct Parent PLUS Loan to pay any existing charges on your dependent student's account.
4. Choose the right *Credit Balance Option* for you and your dependent student. The Federal Direct Parent PLUS Loan will be applied towards the charges on your dependent student's school account. Any amount that remains after these charges have been paid is called a "Credit Balance". You must choose to have the school refund any "Credit Balance" directly to you or to your dependent student:
 - Choosing *Me, the Parent*, the "Credit Balance" will be refunded in the form of a paper check, made payable to the parent borrower, and mailed directly to the permanent address, not the mailing address, as indicated on the Federal Direct Parent PLUS Loan Application.
 - Choosing *The Student*, the "Credit Balance" will be refunded directly to your dependent student's bank account (if signed up for [Direct Deposit](#)) or refunded in the form of a paper check, made payable to your dependent student, and mailed directly to your dependent student's local address.
5. Know the *Loan Amount Requested*. You will have the following three choices:
 - Choose *I want to borrow the maximum Direct PLUS Loan amount for which I am eligible, as determined by the school*:
 - Your Federal Direct Parent PLUS Loan will be processed up to the full cost of your dependent student's attendance minus all other financial aid your dependent student has received.
 - OR**
 - Choose *I would like to specify a loan amount*:
 - Your Federal Direct Parent PLUS Loan will be processed for the amount you've indicated, not to exceed the full cost of attendance minus all other financial aid your dependent student has received.
 - **DO NOT** choose *I don't know the amount I want to borrow*. If you choose this option your Federal Direct Parent PLUS Application will not be processed.
6. Select the correct *Loan Period* (06/2024 – 06/2025 for the 2024-2025 award year).
7. Once approved, click on [Complete an MPN](#) and proceed to follow instructions through completion.
8. **If denied**, you will be given the opportunity to choose how you would like to proceed. See **FEDERAL DIRECT PARENT PLUS LOAN APPLICATION DENIAL GUIDE FOR PARENTS** for details.
