UC Riverside Grading Scale

The University of California, Riverside has the following grade options:

Letter Grade*	Satisfactory / No Credit
A+ A A- B+ B B- C+ C C- D+ D D- F	S (satisfactory) NC (no credit)

*Per Riverside Division Academic Senate Regulation R1.1.1, "…The grade A+ carries 4.0 grade points per unit, the same as for an unsuffixed A; but when A+ is reported, it represents extraordinary achievement."

Use the following scale to determine the appropriate S or NC mark for a student:

Grade	Undergraduate Student	Graduate Student
S	"C" 2.0 equivalent or higher	"B" 3.0 equivalent or higher
NC	"C-" or below. Less than a 2.0	"B-" or below. Less than a 3.0

Other Grading Marks:

I (incomplete): Incomplete (I) grades should only be assigned to students whose work is of passing quality and incomplete for good cause with whom you have an agreement for the completion of coursework. Students have until the end of the following term to complete their work, otherwise the incomplete will lapse to an "F".

IP (in progress): In progress grades are assigned for courses that extend for more than one quarter. When the final quarter of the course is taken and graded, the IP grades will be automatically replaced with the final earned grade. Incompletes should not be used for a course graded on an IP basis.

GD (grade delay): A grade delay (GD) issued by an instructor indicates that you are proceeding with an investigation into an academic integrity violation with Student Conduct & Academic Integrity Programs (SCAIP). It should never be entered as a placeholder by an instructor.

GD grades are also populated by the Office of the Registrar as a placeholder for missing grades not submitted by the grading deadline. These are replaced when the instructor submits their grades for the course.
