Dear Student:

You are receiving this letter because your student health insurance waiver for 2016-17 has been denied, and you may have received a credit posted on your student account in error.

We currently working to validate all approved waivers and should have this completed within the next two weeks.

If you have any questions regarding your insurance waiver status, please contact **health@ucr.edu** or our Student Health Insurance at **951-827-5683**.

We sincerely apologize for any inconvenience you may experience.
