

## Keep Your Cost for Care at UC Riverside Student Health Service Low...UCSHIP!

Although any registered student can use the Student Health Service at UCR, the UC Student Health Insurance Plan (UC SHIP) covers more when you access care on campus.

UCSHIP covers the costs for:

- nursing care,
- advance appointments with a doctor, nurse practitioner or physician's assistant
- urgent or walk-in visits ( with \$15 student co-pay)
- laboratory tests and x-rays
- medical supplies and equipment
- medications (with student co-pay)
