

Request for Speakers and Presentations

The Preventive Care Advocates (PCAs) at the UCR Campus Health Center offers a variety of educational services to student groups. The PCAs are available to speak on numerous health and wellness topics. The PCAs are our teams of trained student volunteers – offer workshops, booths, awareness events, and short presentations.

If you are interested in contacting us about scheduling a program, please submit this form below. We require that you submit your request at least two weeks before the tentative program date. Someone should respond within 2-5 working days to see if we can meet your needs. Remember, that you can always contact us at 951-827-2741.

I understand that by submitting this form, I am not scheduling an event/presentation at this time. I understand that someone from the UCR Campus Health Center will contact me and let me know if/when they can meet my programming needs. We require that you submit your request at least two weeks before the tentative program date.

Yes, I understand.

No, I'm still confused.

If this form will not work, print a copy and mail to Dr. Stewart through inter-campus mail or drop off at the Campus Health Center. If you have any questions call us at 951-827-2741.
