

FINAL EXAM LIVE SEARCH

Main Features:

- Data is live and up-to-date
- Search or filter to find final exams
- Event Actions allow users to receive email and text notifications about their exams, receive reminders before their exams, and add their exams to a calendar

Until exams have had their rooms scheduled for the term, this calendar will display a message directing users to the Final Exam matrix. The final exam schedule will generally be available during the 6th week of instruction, but Academic Scheduling will notify staff when the schedule is live.

The link to this page is under the UCR Academic Calendar option on the sidebar of the Registrar's website.
