

Upcoming Courses Offered by the Registrar's Office

All experience levels are welcome

The Registrar's Office offers the following courses and invites **anyone** to participate. Please go to the UC Learning Center to sign up and learn how to prepare. Questions at trainings are welcome!

Please note that completing the UC Learning Center tutorial **FERPA: How to Protect Student Records** is a prerequisite for these trainings.

Class Name	Topics Covered	Target Audience
25Live Pro	This is a hands-on training for users who have reviewed the 25Live Pro written procedure documentation at ucrbanner.ucr.edu . Training provides a review of procedures on basic 25Live Pro functions including specific general assignment requests; spot scheduling; adding, managing, and scheduling department classrooms in 25Live Pro; identify available days and times; and identify what is scheduled in a specific classroom.	Department Scheduling Coordinators
Overview of the General Student Record and General Person and General Student Navigation	This is a hands-on training for users who have reviewed the General Student and General Person & Student Navigation documents at ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. An overview of the main General Student Record form to enhance understanding and locating and interpreting basic student information will be covered. Course content is intended to enhance staff understanding beyond written documentation and is appropriate for those who are new to Banner or UCR as well as to provide content refreshers for more experienced staff.	All Banner Users
Academic History Navigation, the Student Profile, and Assigning Advisors	This is a hands-on training for users who have reviewed the Academic History Navigation, Assigning Advisors, and Student Profile documentation at ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. Learn where to look to review the student's academic status and achievements at UCR. Learn how advisors are assigned to student records and get an overview of the Student Profile.	All Banner Users
Registration and Waitlists	This is a hands-on training for users who have reviewed Registration and Waitlist Management documentation at ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. Reviewing the various registration forms to enhance understanding of students' enrollment, updating their records to correctly reflect their intended courses, and viewing and managing waitlist enrollment.	Enrollment Managers, Academic Advisors
Cohorts and Attributes Maintenance	This is a hands-on training for users who have reviewed the Cohort or Attribute documentation on ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. This training will cover how cohorts are used identify and maintain a group of students in Banner with common characteristics. Learn how students are placed into and inactivated from cohorts and attributes.	Staff responsible for adding or maintaining a cohort or attribute

For more information, please visit the UC Learning Center at ucrllearning.ucr.edu or contact cindy.juarez@ucr.edu

Curricular Maintenance and Changes	This is a hands-on training for users who have reviewed the Curriculum documentation on ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. You will learn how to make various curriculum changes.	Academic Advisors, Staff who process curricula changes
Degree Audits and 4 Year Plans	This is a hands-on training for users who have reviewed the degree audit and plans at their desk as well as documentation at ucrbanner.ucr.edu . Reviewing the degree audit, exceptions, and four-year undergraduate plans will be covered.	Academic Advisors, Athletic Academic Services
Managing Graduation Applications	This is a hands-on training for users who have reviewed Graduation procedures on ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. Review how R'Web graduation applications are managed to approve or deny degree conferral as well as view a conferred degree.	Academic Advisors
Academic Scheduling	This is a hands-on training for users who have reviewed the Academic Scheduling procedures on ucrbanner.ucr.edu and completed hands-on practice in the training instance of Banner at their desk. The course will cover essential information such as how to create and manage course sections, including linking and cross-listing courses.	Enrollment Managers, Department Scheduling Coordinators
Course Request System (CRS)	This hands-on training is designed for faculty and staff that submit and approve courses for consideration and approval to the Committee on Courses. Training will provide step by step processes for submitting new course proposals as well as changing or deleting existing courses.	Course Preparers and Approvers, Enrollment Managers
Reserved Seating and Waitlist	This is a hands-on training for users who have reviewed the Reserved Seating and Waitlist documentation at ucrbanner.ucr.edu . It will provide step by step procedures for how to set reserved seating for designated populations such as Learning Communities, Cross-listed courses, and those with priority enrollment per Committee on Courses approval. The training will also cover how to set up waitlists if those are utilized simultaneously to reserved seating rules.	Enrollment Managers
Course Prerequisites	This hands-on training is designed for faculty and staff who enter course proposals through the Course Request System for consideration and approval by the Committee on Courses. Participants will learn the step-by-step processes for entering prerequisites, as well when to use "AND" "OR" and ", AND" to ensure prerequisites appear correctly and students are able to enroll.	Course Preparers and Approvers; Enrollment Managers
Cross-Listed Courses	This is a hands-on training for users who have reviewed the Cross-Listed documentation at ucrbanner.ucr.edu . It will provide information on the requirements for cross-listed courses, as well as the proper set-up in Banner. Reporting utilized to identify errors in cross-listed courses will also be covered.	Enrollment Managers
Online Course Section Management	This is a hands-on training for users who have reviewed the Setup of Online Courses documentation at ucrbanner.ucr.edu . Participants will learn the different types of online courses offered at UCR, how to identify an online course in the Banner Catalog, as well as how to add the different types of online course sections.	Enrollment Managers
