HOW TO VIEW APPROVED SUBTITLES THAT MAY BE ADDED TO A COURSE SECTION

1. Go to SCADETL (Course Detail Information)
2. Enter: Subject, Term and Course of the desired course section and click Go.

3. Navigate to the Course Text block. This field has a 30 character limit. Section titles are entirely CAPITAL LETTERS.
4. If an E-Z (umbrella) course – one subtitle should appear in the Text Section.
   a. E-Z courses function as independent courses. Letter suffixes for these courses may be used in any order.
   b. The letters "E" through "Z" do not indicate an order or prerequisites.
   c. E-Z: The letter designations "(E-Z)" immediately following a course number (e.g., HIST 191 (E-Z), Seminar in History) indicate that different segments or topics within the sequence may be taken for credit. These segments are relatively free standing and students are generally not expected to take the whole series or a substantial portion of it. A student may not receive credit for the same lettered segment unless otherwise indicated in the course description.
5. If a “topics vary” course (i.e., course is repeatable) – one or more subtitles will appear in the Course Text section.
6. Click the Next Record or Previous button to see all subtitles attached to this course.
7. Note the desired subtitle from SCADETL to include with your Workfront Ticket submission (in the examples below, note the subtitles THE AMERICAN WEST and THE RUSSIAN REVOLUTION).

Example: E-Z Course

HIST 191R is an approved E-Z course.

Example: Topics Vary Course
